### UNOCT Office Structure

The Office provides most of its capacity-building support to Member States through the UN Counter-Terrorism Centre (UNCCT), which was established by an initial contribution of the Kingdom of Saudi Arabia to the Counter-Terrorism Trust Fund in 2011. UNCCT has an Advisory Board composed of 21 Member States plus the European Union (EU) as a Guest Member.

To enhance coordination and coherence, the UN Global Counter-Terrorism Coordination Compact, which is a coordination framework bringing together 43 entities was launched by the UN Secretary-General in December 2018. It operates through its Coordination Committee and 8 thematic Inter-Agency Working Groups, which were revitalized in April 2019, providing an "All-of-UN approach" to the system’s work on counter-terrorism and preventing and countering violent extremism, as conducive to terrorism.
